BOARDROOM CRUISES

The cruise ship in the boardroom
The Mascot conference table integrates the design language of a cruise ship into modern office life, extending it to space, subtlety, and nature. It is an ultimate elevation of modern balanced aesthetics while preserving the corporate mission of aspiring for distant horizons. With its inclusive and profound culture, as well as its forward-thinking strategy, it leads the company to sail far and wide.

Surround Perimeter Power

Gathering talents and pooling collective wisdom, the culture of inclusiveness and accumulation, along with forward-looking strategies, makes collective intelligence the best driving force for business success. The design quality has been improved, featuring a ring-shaped boundary power supply system specifically designed for high-end meeting spaces accommodating multiple people.

INTEGRAL SURFACE

Using solid wood cable boxes that match the material of the tabletop, it supports front-end audio and video conferencing systems while achieving a perfect balance between cable management and the overall integrity of the tabletop, ensuring a clean and unified appearance.

Easy To Expand

The Mascot conference table, with its high-quality solid wood combination and flexible size options, promotes a culture of sharing wisdom and heritage. Through ingenious multiple configurations, it brings wisdom together, providing an efficient decision-making meeting space.
