Product Parts List

①

1x(490/590 Base Plate)

②

1x(Base Plate Support)

③

1x(Round Tube)

④

1x(Tabletop)

⑤

6x(M8x30 Internal Hexagon
Countersunk Screws)

⑥

8x(5x20 Large Flat Head
Self-tapping Screws)

⑦

(0.8 External Toothed
Lock Washer)

Step 1

First, securely connect the base plate support -- foot tube -- bottom circular plate using M8x30L Allen head countersunk screws and external toothed conical lock washers, as shown in the figure below.

Step 2

Place the tabletop upside down on a flat surface (note that you should place clean soft material such as cardboard under the tabletop to prevent scratching the table surface).

Invert the assembled base plate, place the support plate in the middle of the tabletop, and drive 5x20L self-tapping screws.

Step 3

Flip the round base conversation table over, and the installation is complete.
