NOVAH

Fourall, Perfect Combination of Elegance And Comfort

— Design by Roger Webb Associates

FourAll sofa series has the charm of returning to nature and admiring logs. It establishes a unique artistic style suitable for a variety of collaborative spaces. Featured by concise and simple appearance, diverse configurations and excellent acoustic design, FourAll can provide you with personalized and comfortable office space.

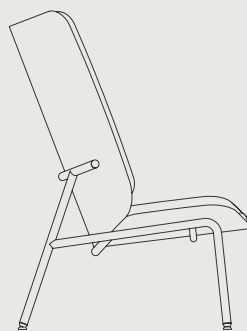

Four All: SD21+K17

Four Resting: K17

Acoustic Comfort

FourAll series offers high and low backrests. High back brings more privacy; the ultra-wide curved backrest provides higher acoustic comfort.

Simple and Natural Design

Select the highest grade of white oak veneer and bent birch plywood, and take advantage of their clean lines and natural textures to create a natural and comfortable environment.

Four All: FLO6+K5

Comfortable Sitting Experience

The elegant bentwood panels of the back and seat, combined with upholstered interiors, bring a comfortable sitting experience.

**Flexible and Dynamic
Collaboration Space**

Four All: Vienna 66226+K17

Bloom: Palm-25+MZ62063

Four resting: K17

The FourAll series can be combined freely to adapt to different office requirements, and is suitable for multiple scenarios such as open office, conference area and leisure. With FourAll, you will get a more organic and free collaboration space.
