# RE- DEFINE FREEDOM OF OFFICE SPACE

# HOW TO BALANCE INDIVIDUAL AND TEAM WORK

Metro supports both "private office" and "team collaboration office," meeting the needs of expanding corporate offices and long-term development.

# YOUR PRIVATE OFFICE SPACE.

Metro single workstation is specifically designed to create a quiet and private independent workspace for corporate employees, stimulating personalized creativity and self-expression, effectively sustaining focus.

**TURN AROUND  
TO SHARING.**

The Metro L-shaped workstation layout can perfectly balance employees' "collaboration space" and "private space."

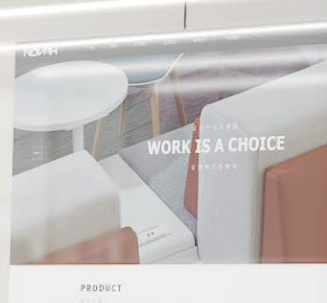

**COMMUNICATION  
WITHOUT  
BOUNDARIES.**

The open office space created by Metro supports collaboration on various scales.

By combining components, it encourages people to communicate and collaborate with each other, actively sharing personal ideas.

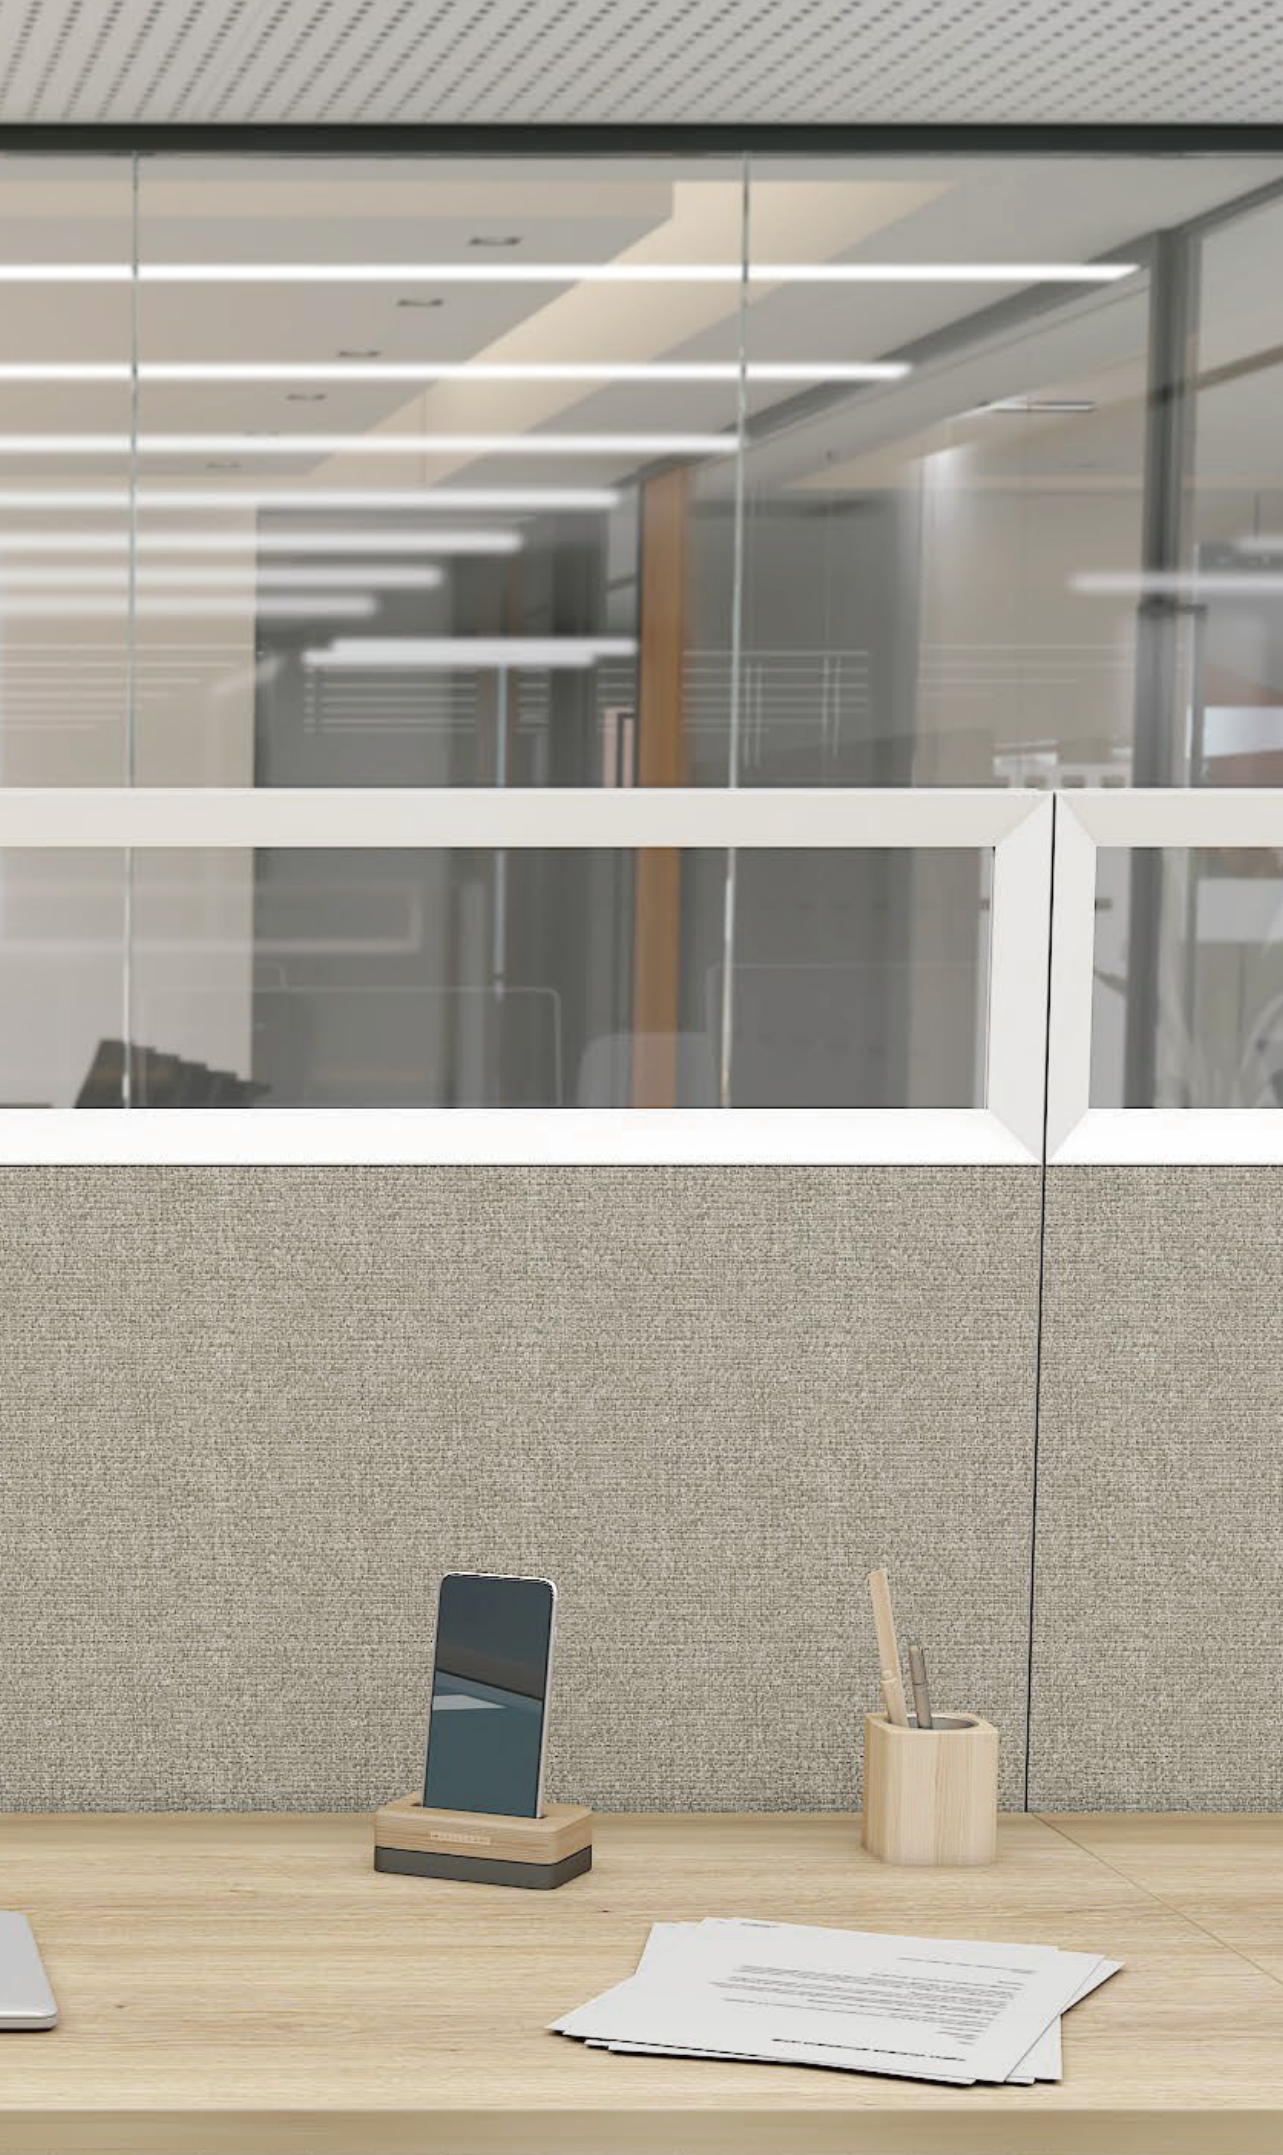

# OEMISSION

Full steel no-glue process, zero emissions, zero worries.

# LIGHTLY TRANSLUCENT

Light and sleek appearance, transparent and not enclosed, enjoy efficient communication.

# HIGHLY FLEXIBLE SPACE CONFIGURATION

Metro can flexibly layout according to different spaces,  
providing modular configuration solutions for enterprises.

The combination of Metro single workstations and Lockers perfectly addresses the storage needs of both corporate teams and individuals, ensuring that the space remains organized and orderly overall.

The combination of Metro L-shaped workstations and Cabana series sofas makes full use of the redundant space in the corridor area, while also facilitating employee sharing and collaboration.
