

CORONA

Collaborative

NOVAH

Corona . Design Story.

“Inspiration of this chair side is the Corona Australis .Crown of the South-combination from eight star . At the beginning of the design, we hope it is unique but not the sense of have a Crown ,we hope this furniture have his energy, we create comfortable in it and make the business people have the corona protective layer with him.

Series & cautions

In the base of gray and white ,different blue color furnitures interspersed in the administrator office,bring out the dignity.

Focuses on business people in a modern office environment. It conveys hounorable comfort, displays decorum, view of overall situation, we brings these elements into the daily office environment through its linear design and formal color.

Life & Vibrant

Combine with Saddle skin color and solid wood , circular tea table among in them, broadside window formed arc to get fluent. Elegant and low-key, just like strick root in the ancient trees, full of vitality.

Fantasy & Topic

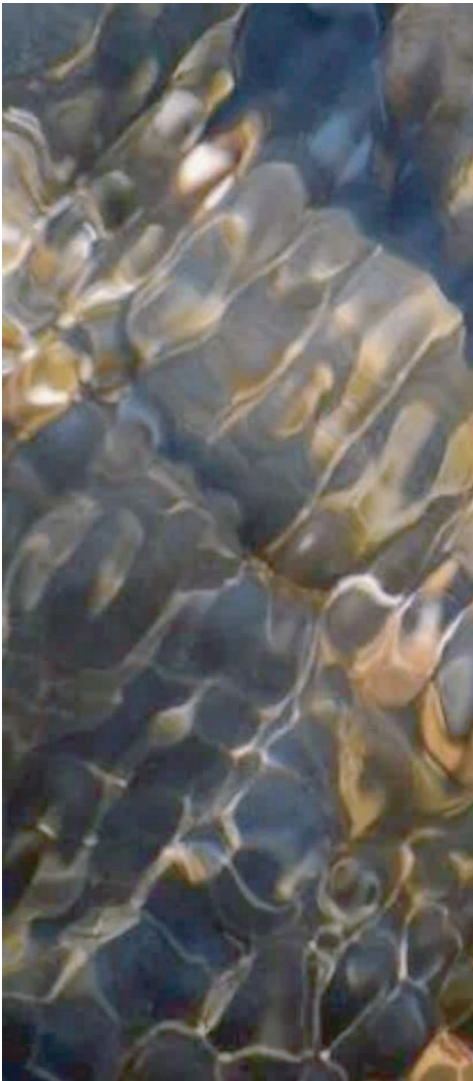

Whether it is a simple work talk or a tea rest in public leisure space, use fabric and solid wood combination, armrest from top to bottom so that the package feeling can let sit a feeling to get the maximum comfortable and satisfied.

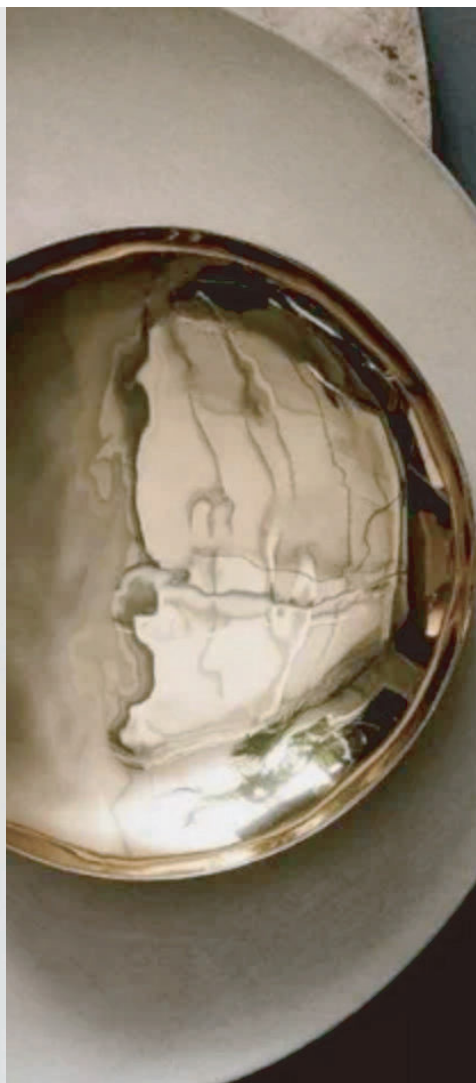

Ripples gorgeous and beautiful, driving the flow of time,
the collision of dazzling metal, as if time is standing still.
