Collaborative

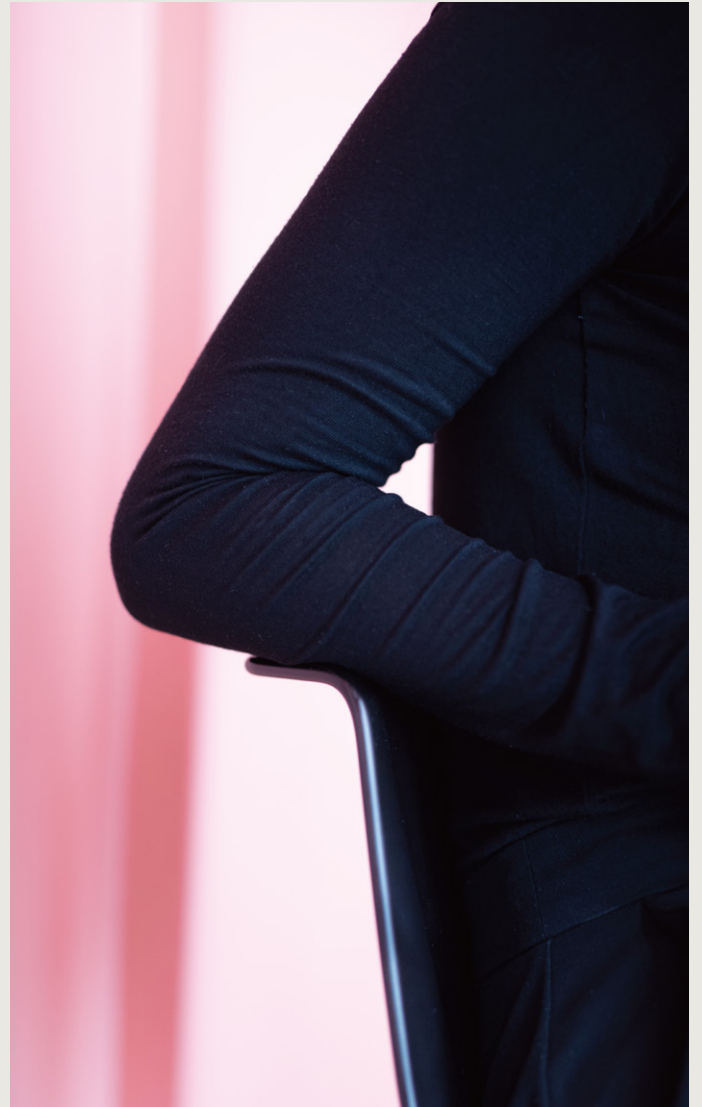

NOVAH

The Share Family designed for informal seating, creative collaboration. The Share collection features three distinct yet interconnected chairs - Share Basic, Share Move, and Share Meet. Each piece is meticulously crafted to meet the evolving needs of modern workspaces, promoting collaboration, flexibility, and sustainability.

Redefine Office Dynamics

This modern stacking chair is not just a functional addition to your workspace; it's a statement of style and a testament to contemporary office aesthetics. Share Basic effortlessly marries form and function, providing you with a seating solution that is not only practical but also a visual delight.

More than just a functional piece, this modern stacking chair embodies contemporary office aesthetics and makes a bold style statement. With Share Basic, form and function come together in perfect harmony to create a seating solution that pleases both the eye and the mind.

Modular & Sustainable

Share is designed to support sustainable practices and responsible consumption. Its durable, modular design enhances longevity, aiming to reduce the need for frequent replacements and lower environmental impact.

Recyclability

100%

Chairs feature a frame made from recycled steel and recyclable plastic, free from glassfibre.

The wood elements are meticulously crafted from FSC certified wood, ensuring a green foundation.

The chair features a small PP back cover available in various colors.

Easily replaceable, allowing for a refreshed look without requiring new chairs.

Share Counter / High

A stylish, functional, and comfortable high or counter chair designed to seamlessly blend with your décor. This versatile counter chair is perfect for pairing with high and counter tables, making it an ideal addition to kitchens, bars, casual dining spaces, and even office breakout rooms.

Share Meet

Share Meet's free-float swivel lets users adjust freely for personalized comfort, supporting ergonomic and flexible working.

Share Move

Share Move is more than a mobile chair — it's a tool for collaboration. Its 360° swivel design encourages flexibility and dynamic teamwork.
