Lifting Desk Executive Table

- 01 No restriction in form. It can also comply with popular aesthetics, incorporating technology and form.
- 02 No single choice and pursuit of dark colors. The combination of multiple materials unleashes working potential.
- 03 No serious work. Coffee and red wine are also necessary for better business decisions.

01

For the beauty of machinery, lifting is not necessary.
Different needs entail different solutions.

02

Lifting doesn't have to be for the main table. Instead, lifting of
the side table allows flexibility in empty space.

03

In addition to an exquisite experience, small spaces should also
be taken into consideration.
