NOVAH

Only by breaking free from constraints and fearing no boundaries can we transcend limitations to be a mighty ship leading the change. Breaking the shackles of space and exploring the ultimate technology, we share this extraordinary moment as well as the unique glory.

In addition to the ingenious integration of furniture and space, PAX makes possible seamless connection between walls and cabinets in three-dimensional space, looking as if they were made by nature. The PAX office back cabinet system is designed to open up a new pattern of space innovation by upgrading administrative office spaces with a complete cabinet system.

PAX encompasses such modular products as file cabinets, open-shelf cabinets, drawer cabinets, and wardrobes, among others. Thanks to free and flexible modular combinations, you get access to personalized solutions for administrative spaces of different sizes and styles, merely for your extraordinary taste and ideals.

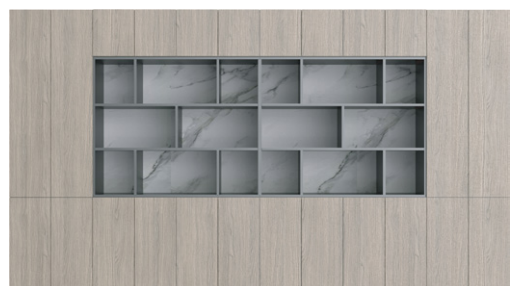

- Presidential Office Space

Irresistible Force, Magnificent Momentum

Crafted for the outstanding, the PAX office back cabinet keeps pace with the trend of the times and breaks through the limitations of traditional space, ending up the crowning touch in the presidential office space. It allows for free designs all over the wall, distinguished by versatility, adaptability together with unlimited storage capacity like the all-embracing sea. Exquisite collections stand out to manifest your extraordinary taste.

- Presidential Office Space

Simple, Pure, Stylish, Elegant

The minimalist style with a sense of “breathing” brings a touch of coolness and transparency to urban life. On top of that, it brings much efficiency and convenience to young promising leaders in the office, bestowing them with a place of peace for their restless hearts.

Flexible Enough to Present a Whole New World

The hidden storage space promises multiple functions with three types of storage. Specifically, the central open-shelf cabinet is used for ornaments, the single-row cabinet without doors for files, and the hidden wardrobe for clothes. Neat and bright, it boasts a reasonable distribution and adjustable space.

Fold Vertically

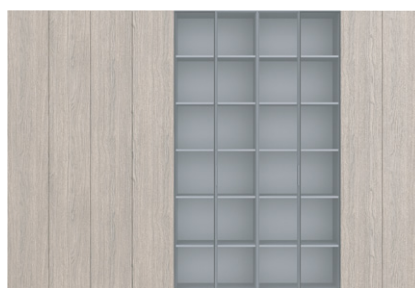

- Conference Space

Thoughts Gush Forth Like A Spring; Work In Full Cooperation With A Common Sense Of Purpose

As a place assembling different thinkers with their different voices as well as different ideas, it is where we seek common ground while reserving differences to move forward together. Unrestricted by space, it allows for an integrated and casual combination for an ideal realm of free communication.

- Conference Space

Express our Feelings and Thoughts Freely; Feel at Ease and Content

A secluded and elegant realm is meticulously crafted for you in a boundless land. The unique atmosphere of the space seems to lead you to a paradise far away from the hustle and bustle. Once you are inside, you will find yourself in unparalleled comfort and composure, fully reveling in noble conference receptions.

-Negotiation Space

A Pleasant Conversation Endows the Whole Room with Warmth and Vitality

More than a space for conversation, it also represents a sacred place for inspiration. The open leisure negotiation area is both spacious and comfortable, enabling you to speak freely in a carefree atmosphere. It is like a boundless stage for thinking, allowing your thoughts and ideas to fly at your will.
