NOVAH

DESIGN STORY

Exquisite design is like fantastically delicate checks and balances of power. Divided powers, independence and mutual checks and balances as a whole maintains the unity of power. Simplicity and toughness show the prestige and power of decision-makers; practicality and angularity demonstrate the dignity and loftiness of status to the full.

Curved Meeting Space for a Better Communication

Smart and convenient rail-mounted power supply

Enhance the quality
of the space.

**A Free Meeting Space
with a Sense of Design**

Family Series
