# BOARDROOM CRUISES

The cruise ship in the boardroom

The Mascot conference table integrates the design language of a cruise ship into modern office life, extending it to space, subtlety, and nature. It is an ultimate elevation of modern balanced aesthetics while preserving the corporate mission of aspiring for distant horizons. With its inclusive and profound culture, as well as its forward-thinking strategy, it leads the company to sail far and wide.

# Surround Perimeter Power

Gathering talents and pooling collective wisdom, the culture of inclusiveness and accountability along with forward-looking strategies, makes collective intelligence the best driving force for business success. The design quality has been improved, featuring a ring-shaped boundary supply system specifically designed for high-end meeting spaces accommodating multiple participants.

umulation,  
force for  
ndary power  
ultiple people.

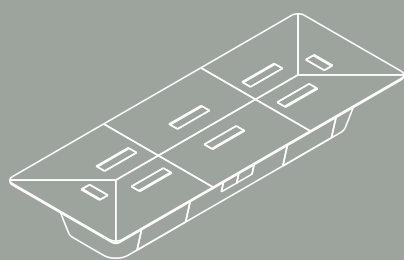

# INTEC SURF

Using solid wood cable boxes that match the room's aesthetic while accommodating audio and video conferencing systems while maintaining the overall integrity of the table.

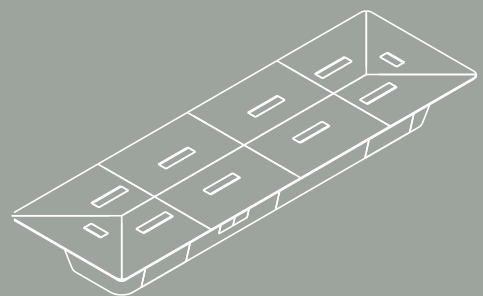

A man with glasses is seated at a large, light-colored wooden conference table, working on a laptop. The room features modern white leather chairs and a large wall-mounted screen in the background. The overall aesthetic is clean and professional.

# GRAL FACE

material of the tabletop, it supports front-end  
achieving a perfect balance between cable man-  
top, ensuring a clean and unified appearance.
