Design story

Casual while being sophisticated, lotus fits comfortably in a variety of settings. United by the same lotus Petal element, it offers blendy wool fabric color.

The ancient and mysterious Nile River gave birth to the earliest civilization of mankind. The hand-carved feeling has precipitated the extraordinary historical culture and artistic charm. Long before the birth of the pyramid, the land on the banks of the Nile was covered with lotus flowers. The ancient Egyptians believed that lotus symbolizes holiness and resurrection, and also is synonymous with power.

“**LOTUS**” takes the lotus as a symbol, inherits the spirit and belief of ancient civilization. The concept of lotus is to bring deeper meaning and give more beauty and casual to lounge Chairs.

Integrated Molding 3D Backrest

For more ergonomic, seat cushion design adopts 3 D modeling. This design makes the people open shoulder unconsciously, release waist strength, take a rest more relaxed and comfortable.

Leisure Posture Comfortable Sitting

The whole chair was inspired by "lotus ".Put aside the traditional sofa armrest parts to make the unique shape and leisure posture unified.

More Specification Variety Space

The middle back and horn chair are combined with three foot types to make the same visual element suitable for leisure scenes in different spaces.
