Step 1

1. Install door-like side foot

Step 2

1. Install the middle leg (routing type)

The quantity of accessories in this step depends on the number of wire management center legs

Step 3

1. Install the table leg stand

Step 4

1. Install the countertop

Note: The table plate is screwed in place after aligning with the table screen inserts and the table frame!

Step 5

1.Install the desktop screen and wire box

Step 6

1.The installation is complete

Make sure to fasten the screws of flat guard board to avoid excessive gap and abnormal noise!
